WORK EXPERIENCE

Web Developer
Digital Academy

06/2022 - 05/2023,   *Braamfontein, Johannesburg*

I am a web developer who enjoys writing code and working in a team, building websites and web apps. I also love helping and for us and web apps and loves helping and support deaf community and follow learners with coding. My goal is to learn more about currently about accessibility and developing more deeper skill in HTML AND CSS.
